TTY service: 1-800-361-2629.

<sup>1</sup> Copayments may apply to certain services.

<sup>2</sup> If care is out-of-network, benefits are paid at a lower level after your annual deductible is met. If you go to an out-of-network provider, you also may have to pay the difference between the provider's charge and the UPMC Health Plan payment (reasonable and customary amount).

<sup>3</sup> UPMC Health Plan maintains that the coverage described in this document is at all times administered in compliance with applicable laws and regulations, including but not limited to the Patient Protection and Affordable Care Act of 2010. If at any time any part or provision of this Statement of Benefits is in conflict with any applicable law, regulation or other controlling authority, the requirements of that authority shall prevail.

<sup>4</sup> If the brand-name drug is dispensed instead of the generic equivalent, you must pay the copayment associated with the brand-name drug as well as the retail price difference between the brand-name drug and the generic drug.

This summary is meant to assist in comparing the benefit plans. It is not a contract. If differences exist between this summary and a group's contract or a member's certificate of coverage, the contract or certificate of coverage prevails.
